

CABIN CREEK LODGE -- Event equipment/setup list

Kitchen:

- 6 burner stove, two ovens and griddle— all gas. Tall warming oven.
- Commercial dishwasher
- Large double-door commercial refrigerator and large freezer
- Several large pots, pans and cooking trays
- Several serving trays and dishes (glass, plastic and silver-- a random assortment)
- 6 regular rectangular chafing dishes, plus 2 for soups/sauces and 2 shallow round/oval sized.
- Flatware (basic forks, spoons & knives), pyrex glass dinner, salad/dessert plates & bowls— enough for 150.
- 16oz plastic drinking glass – 120
- Wine and champagne glasses (both enough for 150)
- Only about 30 or so ceramic coffee cups.
- One 45-cup coffee urn (percolating style- no filters needed), 30-cup hot water urn.
- Ice machine (it does NOT make ice quickly, if fully emptied- it will take overnight to re-fill)

Dining Room & Outdoor Deck:

- Dining room dimensions- 37ft wide x 29ft deep
- 10 **round** wooden dining tables (60" dia.) & 76 wooden chairs -- seats 8 chairs/table.
Note: these tables no longer can be made square—they are permanently fixed as round. Also, in general, these tables cannot be removed from the dining room.
- 8 glass/metal round outdoor dining tables (50" dia.)
- 140+ wooden folding chairs (for use for ceremony and as needed)
- 60+ metal chairs -- seats 6 chairs outdoor round table.
- Use of up to 25 folding banquet tables (72" x 30") -- seats 6-8 depending on chairs.
- 25 black tablecloths (90" dia) for the round tables
- 15 black skirted tablecloths for the rectangular banquet tables
- 20 black floor-length tablecloths (70" x 120") for the rectangular tables.
 - *Note: We do NOT provide linen napkins!*
- Four-burner propane gas grill
- Three outdoor deck heaters (there is a \$60 fee if they are used to cover cost of propane)

Audio/Visual equipment:

- Two large JBL EON speakers with stands.
- 12-channel mixer with inputs for microphones and other audio equipment (including a Bluetooth adapter)
- One wireless Audio-Tecnica handheld microphone
 - *All of the above audio equipment is on a movable cart.*
- Karaoke setup --two mics, big Bluetooth speaker, TV screen and iPad with Karafun program
- Two ceiling mounted projectors with HDMI connection & screens (2nd floor- NOT portable)
