

# WHILE YOU ARE HERE

## WHILE HERE:

-NO SMOKING inside the Lodge or any room ever. And when smoking outside, do not litter the grounds with butts.

-WiFi is thru satellite internet, which is notoriously slow & data usage limited. It is only useful for email and simple browsing-- no video streaming at all.

-We provide towels, face cloths & shower mats, but PLEASE use them appropriately-- not for wine spills, muddy shoes, floors, cars, etc. For other things, there are paper towels or rags by the laundry machines. Please use the provided facial cleansing wipes for makeup removal and not our white towels.

**\*\*There is a \$15 fee for every towel that is misused.\*\***

-No pets allowed indoors but having them on the property itself is fine.

-Eating in the bedrooms is not allowed because of the difficulty to move beds and clean behind or under. Crumbs and food scraps attract pests that we do not need, thank you. **\*Any such messes in the bedrooms will automatically incur a cleaning fee.\***

-There are many trash bins throughout the lodge, so please use appropriately. Please pour out liquids in the sink before throwing cups, cans or bottles into the trash.

-The Yakima River runs right behind the property. Please use great caution as this river has strong currents and many log jams in this area. **It is NOT advisable to ever enter this river- not for swimming, tubing nor boating.**

- Games (board games, cards, table tennis, etc.) are provided for your convenience. Adult supervision is suggested when used by children. PLEASE use respectfully and put them away neatly afterwards.

**\*Any damage or loss of items or games left in disarray will incur a minimum \$50 fee.\***

## BEFORE LEAVING:

### RULE #1: Please leave the Lodge as you found it.

- Always "pack out" with you whatever you packed in. Especially in the kitchen this means NO LEFTOVERS!

- Take special care to make sure that **the kitchen is cleaned**. Pots, dishes & glassware MUST be cleaned and put away. Any food mess left behind or things not cleaned or put away will result in a separate **\$500 fee**.

-BEDROOMS:

- Beds that were USED: strip off the LINENS & PILLOWCASES & leave them on the bedroom floor.
- BLANKETS **must remain on the beds**.
- DO NOT remove the zippered mattress or pillow covers.
- Used TOWELS should be left on the bathroom floor. **Do NOT mix towels with bed linens!**
- Leave NO TRASH in any of the rooms nor anywhere around the property.

- After cleanup, all trash must be bagged (& bags must be closed) & placed in the trash shed on the right side of the Lodge. **DO NOT EVER LEAVE ANY TRASH OUTSIDE** (animals will tear it apart). Empty boxes can be left off to the side of the shed.

- All furniture or items that were moved or used should be put back in their original place.

**\*The Damage Deposit will be forfeit if these rules are not respected.\***
