

WHILE YOU ARE HERE

WHILE HERE:

-NO SMOKING inside the Lodge or any room ever. And when smoking outside, do not litter the grounds with butts.

- Unfortunately, there have been several false fire alarms in the last year, so we've implemented a rule that the entire **\$300 damage deposit will be forfeit** if a fire alarm is pulled. PLEASE make sure any children on-site are educated about fire alarms!

-We provide towels, face cloths & shower mats, but PLEASE use them appropriately-- not for wine spills, muddy shoes, floors, cars, etc. For other things, there are paper towels or bin full of rags in the back of the kitchen space. Please use the provided facial cleansing wipes for makeup removal and not our white towels.

****There is a \$15 fee for every towel that is misused.****

-No pets allowed indoors but having them on the property itself is fine.

-Eating in the bedrooms is not allowed because of the difficulty to move beds and clean behind or under. Crumbs and food scraps attract pests that we do not need, thank you.

-There are many trash bins throughout the lodge, so please use appropriately. Please pour out liquids in the sink before throwing cups, cans or bottles into the trash. **Note—we ONLY recycle boxes—no need to separate out glass or plastic!**

- Games (board games, cards, table tennis, etc.) are provided for your convenience. Adult supervision is suggested when used by children. PLEASE use respectfully and put them away neatly afterwards.

Any damage or loss of items or games left in disarray will incur a minimum \$50 fee.

-The Yakima River runs right behind the property. Please use great caution as this river has strong currents and many log jams in this area. **It is NOT advisable to ever enter this river- not for swimming, tubing nor boating.**

BEFORE LEAVING:

RULE #1: Please leave the Lodge as you found it.

- All furniture or items that were moved or used should be put back in their original place.

- Take special care to make sure that **the kitchen is cleaned**. Pots, dishes & glassware MUST be cleaned and put away. Please leave NO LEFTOVERS! Any food mess left behind or things not cleaned or put away will result in a separate **\$500 fee**.

-BEDROOMS:

- Beds that were USED: strip off the LINENS & PILLOWCASES & leave them on the bedroom floor.
- BLANKETS **must remain on the beds**.
- DO NOT remove the zippered mattress or pillow covers.
- Used TOWELS should be left on the bathroom floor. **Do NOT mix towels with bed linens!**
- Leave NO TRASH in any of the rooms nor anywhere around the property.

- After cleanup, all trash must be bagged (& bags must be closed) & placed in the trash shed on the right side of the Lodge. **DO NOT EVER LEAVE ANY TRASH OUTSIDE** (animals will tear it apart). Empty boxes can be left off to the side of the shed.

***The Damage Deposit will be forfeit if these rules are not respected. ***
